

16th December 2019

Dear Parent/Carer

It's Christmas break already and we are almost at the end of Semester one! During this last week of term students are completing all coursework in preparation for new topics to be taught in the New Year. All students should have submitted assignments and staff are closely tracking progress. Most are on track to complete all work required. There has been a hive of activity in classrooms every afternoon for last minute amendments.

In addition to this we have had exams for Maths and English taking place. Results for GCSE exams are out on January 16th and will be passed onto students as soon as they are processed. Those students who sat Functional Skills exams will also receive results late January.

There are two re-sit BTEC Level 3 exams in January. All students sitting Unit 2 have already completed their pre-release notes in preparation for this. There are revision guides available for all students for Christmas reading! In addition, there will be voluntary revision sessions for those students wishing to revise for Unit 1 Anatomy & Physiology upon our return in January.

We are aware that some of our students have access arrangements for exams. If this applies to your son/daughter for their summer examinations and we do not yet know about this, please can you inform College as soon as possible as these have to be processed prior to February?

Dates for these exams are as follows, all held in the Everton in the Community Hub on Spellow Lane.

Date	Time	Exam	Duration
8 th January 2020	9am	Unit 2 Fitness Training	2hrs
17 th January	9am	Unit 1 Anatomy	2hrs

We have welcomed Brooke Clinic to Vauxhall this term. Students took part in Relationships and Sex Health Education. The team were excellent and the students enjoyed the morning approaching it maturely. The clinic will deliver the same workshops to Jericho and Spellow students at the end of January.

Football as always will continue, we are progressing in all the leagues and cups we are in and students are developing their skills as players. The Dallas Cup trip will soon be upon us so all these games are excellent preparation for the trip.

Eight students have the opportunity to gain work experience coaching in Aruba and will be accompanied by David James at the end of January for two weeks. Good luck to all of these students. Hopefully our Higher Education students will guide the way.

We are also selecting students for a work experience trip to Valencia after the Easter break. Students are aware of this trip and the opportunity to develop their coaching skills in preparation for our degree course and further study.

Year 13 should have completed their UCAS applications to meet the early January deadline. It is good to see the majority of year 13 applying for Higher Education both at home and abroad.

We return to college on Monday 6th January after the Christmas and New Year break.

As always, we appreciate your continued support,

Enjoy the festive period,

Kind Regards

The Sixth Form Team
