External links to all online learning are published on our website.

Please note that in the event of school closure, students will receive emails from tutors on a regular basis to their school email accounts. This will include the setting of deadlines for assignment work to be emailed in.

Students will also be asked to confirm their attendance and wellbeing via our heja app twice a week. Students are aware of how to use the app. They will see a schedule which will start with attendance – students need to reply 'going'. If we do not hear from students then form tutors will contact home. This app is not to be used for messaging. It will be used only for attendance purposes. To download the app look for heja in the app store, download this and enter the team code IB-423331.

In addition, both staff and students have access to Microsoft office teams and online help is available each weekday morning from the tutors your son/daughter should have according to their timetable. This is an interactive group 'chat' facility for guidance and help. This is available from 10-12pm Monday – Friday. Students are encouraged to use this if they need guidance with work.

All students have office 365 accounts. If they have not yet accessed this please follow the following guidance:

- Use the browser bar and type into the internet office365
- Use log in
- Enter the user name which is initial, surname @evertonfootballcollege.com (for example jbloggs@evertonfootballcollege.com)
- Enter password
- If it is the first attempt to log in please use the password Freeschool1. It will then prompt you to change this.

Students are also able to email tutors for help and guidance. As always, we appreciate your help in this matter.
