

20/04/2020

Hello and welcome back after the Easter break. We are still living in unprecedented times and we hope everyone is keeping safe and well. This will be the third week of independent home study and I hope everyone is engaged and completing work to successfully pass the year.

We are now aware of how GCSE grades will be awarded this summer to students. Grades will be predicted on evidence of progress, grades achieved and standard of work throughout the year. Ofqual (The Office of Qualifications and Exam regulators) are providing detailed guidance to be used for schools to follow when awarding GCSE grades.

Ofqual have also initially published information regarding vocational qualifications, however, this is still very much a work in progress and depends on the type of qualification studied. It is likely that predicted grades will be used in the majority of cases, however, as sport is a practical subject, we are awaiting on additional guidance. In the meantime, to support achievement of qualifications for all of our students, we are asking them to continue to complete all work that is being set at home. Predicted grades can only be given if students have completed the work according to our assessment schedule and this has been assessed at least at pass level.

To clarify, at the start of each academic year for vocational courses we send an assessment plan to the exam boards which outline which assignments have been set, the submission dates and the final decisions. The exam boards will then use this as a guide to predict our results in these uncertain times. They will also ask for student work to verify these decisions. For those units not yet complete, it is likely the exam boards will ask for evidence of assignments to date to predict an overall grade for the unit.

Therefore, in addition to the completed semester 1 units, the following for all levels need to be submitted.

Exercise, Health & Lifestyle

Spellow Yr 13 Assignment one

Psychology

Vauxhall & Spellow Yr 13 Assignment 1

Research Methods

Vauxhall Yr 13 Assignment 1

Professional Development and Coaching

Yr 12 Level 3 All sites – Tutor schedule set.

These assignments should be completed where written work is asked for. The practical work will be completed at a later date.

Sport Injuries and Effects of Exercise

OCR Level 2 in addition to completing Practical Sport.

NVQ and Level 1 BTEC

Work/Unit booklets to complete and hand in when complete to individual tutors.

We understand that some of the year 13 students have unconditional offers for University however all units must be passed to enable them to complete the full 3 A Level equivalent qualification. Without work and marks for each unit which cannot be predicted without being up to date, we cannot predict grades for the qualification.

Please note, students will receive emails from tutors on a regular basis to their school email accounts. This will include the setting of deadlines for assignment work to be emailed in. Tutors are also available online each weekday morning from 10-12pm for help and guidance and submission of work. A reminder of all work to complete can be found below.

Students will also be asked to confirm their attendance and wellbeing via our heja app once a week (normally a Wednesday). They will see a schedule which will start with 'Keep in Touch' – students need to reply 'going'. If we do not hear from students then form tutors will contact home.

All students have office 365 accounts. If they have not yet accessed this, please follow the following guidance:

- Visit www.office.com
- Use log in
- Enter the username which is initial, surname @evertonfootballcollege.com (for example jbloggs@evertonfootballcollege.com)
- Enter password
- If it is the first attempt to log in please use the password Freeschool1. It will then prompt you to change this.

In addition, please find attached a health and wellbeing schedule that one of our tutors has designed to help structure each day. We hope this is of use to all students.

There is also a weekly fitness plan below for all students across all sites. This will be published each fortnight on our website. This will help structure each day and build daily activity and exercise into your timetable. It is also important as rearranged football games and finals have been planned for the start of September, so we need to be match ready!

Work to complete for all groups – April 2020

LEVEL 1 SPELLOW

BTEC UNITS

The following BTEC units and work need to be completed.

Unit 1 – 6 have been completed in class. Some students may have to make amendments.

Units 7-8 are practical units to be completed in the summer term.

Units 9 & 10 have been sent home with students to complete. These are work booklets that can be easily completed and should have been finished prior to the Easter break.

LEVEL 2 OCR SPELLOW

UNIT 7 EFFECTS OF EXERCISE

Drugs in Sport assignment for Maxine. Students have been sent the brief via email and have images and a check list to complete this. Pass and merit work.

Energy Systems brief and power point have been sent home via email. Guidance on how to complete this task has been delivered by the tutor and students are aware of what they need to do to complete this task.

UNIT 1 PRACTICAL SPORT

Students have been sent assignment 4 brief via email. There are a few students who have outstanding work for rules and regulations and this should be completed ready to submit.

UNIT 8 SPORT INJURIES

Work booklets to complete prior to the Easter break have been emailed to all students for this unit.

ANY OUTSTANDING WORK

There are some students who have not yet passed core units from semester one. These need to be completed ASAP.

LEVEL 2 NVQ

UNIT 1, 2,3,4,8

Should be complete. There will be some students who have not completed this. This needs submitting ASAP.

UNIT 6,7 & 8

Work booklets have been sent home via email for all these units. Students are able to complete these at home.

ANY OUTSTANDING WORK

There are some students who have not yet passed core units from semester one. These need to be completed ASAP.

LEVEL 3 YEAR 12 ALL SITES

| | |
|---------------------------------|---|
| COACHING | Deadlines set All assignments sent home via email |
| LEADERSHIP | Resubmission for Assignment 2 is due – Jericho |
| PROFESSIONAL DEVELOPMENT | Assignment 1 presentation to be complete Monday 16th March – the rest of the assignment is due Monday 27th April – Jericho Students have been sent both assignment briefs, guidance relating to how learners can achieve each grade, PowerPoint slides to help with relevant tasks and exemplar CV and application form templates. Students should follow the assignment brief step by step and use the criteria to complete relevant work. |
| FITNESS TESTING | Vauxhall – resubmissions to do |
| PRACTICAL SPORT | Assignment 1 booklet for 2 sports should be completed |
| ANY OUTSTANDING WORK | There are some students who have not yet passed core units from semester one. These need to be completed ASAP. |

LEVEL 3 BTEC YR 13

| | |
|---|--|
| PSYCHOLOGY | The first assignment needs to be completed for tutors to predict a grade for this unit |
| EXERCISE, HEALTH & LIFESTYLE | X 1 assignment – Spellow This includes any amendments for those completed in Semester 1 (Vauxhall) |
| RESEARCH METHODS | Assignment 1 (Vauxhall) should be completed by 19/03/20) |

| SKILL ACQUISITION | X3 assignments. This is a semester one unit and should have been completed on all sites. Some students need to resubmit work |
| ANY OUTSTANDING WORK | There are some students who have not yet passed core units from semester one. These need to be completed ASAP. |

Year 12 BTEC students will also be set additional unit work to complete during the summer term. These will be emailed across during the start of the summer term. This will give us a head start on the next academic year to consider any rearranged trips and activities.

As always, we appreciate your support,
Everton Football College

Hi all, please see below a timetable that you should aim to use in order to get a healthy work/life balance for working from home. Having a routine and structure will help you manage your time and hopefully ensure that you do not feel overwhelmed with the current lockdown procedures. There is an example and a blank on the following page for you to use at your discretion. Remember that **tutors are available online from 10-12pm** each day if you have any questions. **Hope that you're all well and staying safe.**

| Time | Monday | Tuesday | Wednesday | Thursday | Friday |
|--------------------|------------------------------------|------------------------------------|------------------------------------|------------------------------------|------------------------------------|
| 9-10am | Breakfast / Get college work ready | Breakfast / Get college work ready | Breakfast / Get college work ready | Breakfast / Get college work ready | Breakfast / Get college work ready |
| 10-11am | College work | Reading / Physical Activity | College work | Reading / Learn something new | College work |
| 11am-12pm | College work | College work | College work | College work | College work |
| 12-1pm | Reading / Physical Activity | College work | Break / Lunch | College work | Physical activity / Reading |
| 1-2pm | Break / Lunch | Break / Lunch | College work | Break / Lunch | Break / Lunch |
| 2-3pm | Learn something new | Break | Physical Activity | College work | College work |
| 3-4pm | College work | College work | Reading / Learn something new | Physical Activity | Learn something new |
| 4pm onwards | Free Time | Free Time | Free Time | Free Time | Free Time |

Please see below a blank timetable that may be helpful for you to use. Remember to take breaks regularly. For some of you, I know you prefer to work in the evening so flip the times around as you wish. If you need any support please let me know.

| Time | Monday | Tuesday | Wednesday | Thursday | Friday |
